The fact that the late A. H. Allen was in the recommendation of the Senior Surgeon promoted to the grade of Senior Hospital Asst signifies that the services rendered by him deserved special recognition.

9. *Submitted to His Highness.*

As called for in the Private Secretary's Memo No.2403 dated 10th March 1911, I submit herewith the file of papers relating to a memorial presented by Mrs. G.H. Allen, widow of the late Mr. A.H. Allen, Senior Hospital Assistant, Mysore, praying for the grant of a pension from the Palace, to enable her to maintain and educate her children.

2. The Senior Surgeon, who was consulted in the matter, states that this seems to be a case "where a scholarship for petitioner's son's final year might just tide over the difficulties till the boy got an appointment and was in a position to help", i.e. help his mother. The boy Charles Henry Powell Allen, aged 25, is reported to have passed his F.A., ^{and the} first, second and third M.B. & C.M., examinations, and to be now continuing his course for the final year.

Page 3 of office notes

3. The First Councillor states that the Senior Surgeon's recommendation may be granted.

4. If any State scholarship is granted it would be an exception to the rules, first because H.P. Allen is not a B.A., and second because the period being but for one year, it may not be expedient to take the usual

usual agreement from him of service for 5 years if so required.

5. A scholarship of Rs.25 per mensem was sanctioned
as a special case
in 1907 tenable for 5 years to his sister who is also studying in the same class in the same Medical College. She is under the prescribed agreement to serve.

To,

His Highness Sree Krishra Raja Wodayar Bahadur, G.C.S.I.,

MAHARAJA OF MYSORE.

*med 177-10
sl-1*

The most humble petition of Grace Helena Allen the widow of the late Mr. Augustus Howard Allen, Senior Hospital Assistant Nazarbad, Mysore.

MOST RESPECTFULLY SHEWETH:-

- (1) That your Highness' most humble petitioner's husband died of Pneumonia on the 29th. January last while still in -- service as Senior Hospital Assistant in charge of the -- Nazarbad Dispensary Mysore; and also in Medical charge of the Palace English Band.
- (2) That your Highness' most humble petitioner is left almost helpless with 8 children, 5 sons and 3 daughters of ages varying from 5 years; of whom 5 are minors without any -- immediate means of support.
- (3) That your Highness' most humble petitioner's eldest son and eldest daughter are studying for the M.B & C. and the L. M & S respectively at the Madras Medical College; ---- whilst the second daughter is learning nursing at the ---- Maharani's Hospital Mysore and financial help is needed -- for the support of these until their examinations are -- completed, though a scholarship of Rs:25/- a month has been graciously granted to the eldest daughter by your Highness benevolent Government. The other children are attending the local schools.
- (4) That your Highness' most humble petitioner's husband in spite of his humble position endeavoured to educate his children as well as possible so that they might become useful members of society and be a burden to no one.

- 3
- (5) That your Highness' most humble petitioner's husband was in Medical charge of the Palace English Band for - over 12 years and spared no pains in doing his best on all occasions to the Bandsmen and their families. He also rendered much service to the Palace Stable and Zoo servants during the time of Plague as well as to the -- Palace Servants in general.
- (6) That the small amount which your Highness' most humble petitioner's husband was able to save in the earlier - days of his service, when his family needs had not yet grown was all lost in the failure of Messrs. Arbuthnot & Co., 4 years ago so that petitioner is left almost -- penniless.
- (7) That your Highness' most humble petitioner's husband - was not able to save anything in the latter part of his life as he had to educate all his children and support his large family; in which effort he strained every -- nerve and broke down in health after a long and meri- -- torious service in your Highness benevolent Government besides a service of 10 years under the British Govern- ment.
- (8) Your Highness' most humble petitioner therefore prays that the sad circumstances related will be graciously considered and that your Highness may be pleased as in the case of several others to whom your highness' charity has been extended, to grant her a pension from the Palace to enable her to maintain and educate her children.

For which act of charity the petitioner will with profound gratitude ever pray for your Highness' long -- life and prosperous reign.

Your Highness' Most Obedient

and
